

PayMyLoan.ai — Commitment Letter & Fee Spec

Supplemental Specification · Dueño a Dueño LLC · September 9, 2026

OVERVIEW

The commitment letter is the binding document between lender and borrower. It itemizes all fees — lender fees, platform fees, and monthly charges — in a single document. Once signed by both parties, it auto-routes to the closing attorney and insurance company with all fee details so the closing attorney knows exactly what to collect and where to send it.

COMMITMENT LETTER FLOW

STEP 1 — LENDER ISSUES LETTER

Lender reviews deal, sets rate/term/fees, clicks "Issue Commitment Letter." System auto-generates PDF with all fields + fee table.

STEP 2 — BORROWER REVIEWS & ACCEPTS

Borrower receives notification, reviews commitment letter in portal, signs electronically.

STEP 3 — AUTO-DISTRIBUTION

Upon borrower acceptance, system auto-emails signed letter to: (1) closing attorney / title company, (2) insurance company. Both receive the full fee breakdown so the closing attorney can collect and disburse correctly.

STEP 4 — ACH SETUP

Monthly payment ACH is placed in draft mode with the official start date per the promissory note. Goes live automatically on start date.

STEP 5 — CLOSING CONFIRMATION

Both lender and borrower dashboards update — deal moves from "Approved" to "Active Loan." Upcoming closing tracked on both dashboards.
