

PayMyLoan.ai — Product Specification

Private Money Lending Platform · Dueño a Dueño LLC · Version 2 — September 9, 2026

PLATFORM OVERVIEW

PayMyLoan.ai is a private money lending marketplace connecting real estate borrowers with private lenders. The platform handles loan requests, underwriting data, commitment letters, ACH payments, payoffs, and year-end reporting — while positioning Dueño a Dueño LLC as a neutral technology platform (not a lender).

USER PROFILES

Lender Profile

LENDER

- Rate, term, and loan type preferences
- One or more lending entities
- Associated bank account (ACH)
- Fees charged at closing and monthly
- Available capital to deploy
- Geographic areas / loan types preferred
- Lender rating (visible to borrowers)
- Free to sign up

Borrower Profile

BORROWER

- Personal or entity borrowing
- Closing attorney on file
- Insurance company on file
- Borrowing score (public)
- Past completed loans + active loans
- Project type history (rental, fix & flip, slow flip, commercial, new construction)
- Verified past addresses (AI or team reviewed)
- 7-day free trial → \$9/month

LOAN REQUEST / DEAL

- Property address (auto-populate API)
- Purchase price · Rehab amount · Total loan amount requested
- Closing date and timeline requested
- Borrower uploads photos: front, kitchen, bathrooms, yard, roof, etc.
- **RentCast API** — pulls nearby rent rates and comparable sales (within 0.5 miles, same sqft, last 6 months + days on market)
- AI generates 3–4 rental comps and 3–4 sale comps automatically
- Borrower sets loan request as **Public** (marketplace) or **Private** (invite lender only)
- Full address and borrower name hidden on public listings; borrower score/history shown

LOAN TYPES

TYPE	STRUCTURE	NOTES
Interest Only (Short Term)	Monthly IO payments, balloon at maturity	Most common for fix & flip

TYPE	STRUCTURE	NOTES
Interest Only (Long Term)	Monthly IO, extended term	Slow flip / owner finance wraps
Fully Amortized	5, 7, 10, 15, 20, 25, or 30 years	Rental holds, long-term
Construction Draw Loan	Funds released in stages	FUTURE FEATURE

- Late payment penalties — configurable by lender
- Pre-pay penalties — configurable by lender

COMMITMENT LETTER

- Issued by lender, accepted by borrower
- Upon acceptance → auto email to title/escrow agent AND insurance company with letter attached
- Includes all lender fees (closing + monthly)
- ACH set to draft mode with official start date per promissory note

DASHBOARDS

Borrower Dashboard

BORROWER

- Need Funding
- Loan Approved by Lender
- Current Loans
- Completed Loans
- Notifications: payments made, lender inquiries, alerts
- Upcoming closings tracker

Lender Dashboard

LENDER

- Commitment Letters Sent
- Available Capital / Deployed Capital
- Active loans + return rate
- Upcoming closings / payoffs
- Notifications: payments received, payoff requests

PAYOFF FLOW

- Borrower requests payoff → lender receives email with expected closing date
- System auto-generates payoff letter
- Lender signs → auto-sent to title company and insurance company
- Payoff includes: lender company info, bank info (last 4 only), phone number to verify before wire

APPLICATION & VETTING

- Lender can require borrower to complete full application (\$99 fee)
- Includes: entity documents, bank statement, past deal history (AI or team verified), credit pull, background check, ID upload
- Most of \$99 goes toward vetting cost

FEES & REVENUE MODEL

Lender signup	Free
Borrower signup	Free (7-day trial)
Borrower monthly subscription	\$9 / month
Per loan transaction / month	ACH cost + \$9 (max \$99/mo)
Marketplace connection fee (lender + borrower match)	1 point at closing (min \$999)
Borrower application / vetting	\$99
File storage	TBD

Note: Lenders do not pay fees. All fees are borrower-side or transaction-based.

OTHER FEATURES

- **Invite system** — borrowers can invite lenders via portal link (and vice versa)
- **Extra disclosures** — lenders can upload documents for borrower to sign
- **Year-end reporting** — auto emails with interest paid/received for CPA and bookkeepers
- **OTP / notification number** — one-way number for password resets, signups, and alerts (no reply)
- **Lender ratings** — borrowers can rate lenders
- **Outreach** — text/email campaigns targeting slow flip borrowers nationally

OTP / SMS	Alerts, password resets, signups	Needed

LEGAL & COMPLIANCE NOTES

- Platform is a **technology connector** — not a lender, not a broker
- Requires clear disclaimer language: Dueño a Dueño LLC connects lenders and borrowers; does not originate, fund, or service loans
- Disclose any affiliate relationships or compensation received from either side
- Application fee disclosures required
- Connection fee (1 point) must be disclosed at time of match
- **Need attorney to draft platform T&C, disclaimer, and lender/borrower agreements with appropriate legal teeth**
